# Group wants a skate park

**VERNON** — Staff members of Outkast Sports along with other members of the Vernon community have recently set up a non-profit organization to help create a skate park in the township. The proposed skate park would be free of charge and open to the public.

Organizers are holding a meeting on Thursday, July 31 at the PAL building in Vernon at 7:30 p.m. All are welcome.

At this initial meeting, the group aims to inform the public of what has been done so far, what they plan to do and what steps they need to take to complete this project.
